RE: Sun Leisure Estates Utility Company, Inc.

Sirs:

I am not different than many a retired living person living on a fixed income, but I am realistic to the needs of my own environment.

Sun Leisure has been fortunate through the years to have competent and dependable people on the Water Board. It is hoped that the new residents coming in will also fit that bill. In the mean time we have to face the fact that times are changing and we must be prepared. Therefore, I would like to have my opinion considered in your approval of the water rate increase for which the Association is asking.

It is wise and cautious thinking to prepare for the future. We have held our own for some time now to function and build a reserve this increase seems necessary.

Please accept my YES for the increase.

Sincerely,

Opinion No. 2009 - 79859
